

COURSE TERMS & CONDITIONS

- PADI courses are performance based. You pay for the course and then earn the certification under the guidance of our instructor.
- PADI eLearning materials are non-transferrable once issued to a student.
- You may transfer your course to a new date once, free of charge, with more than 14 days notice. Additional amendments will attract a \$100 fee per person, per date change.
- Transfers made between 24hrs and 14 days of the start date will incur a \$200 fee. If the new course is of a higher value than the original booking, the difference must also be paid.
- Any cancellations made within 24hrs of your course start time will result in forfeiting the course, and rebooking will be at full cost.
- If you have indicated yes to any of the questions on the Dive Medical then you will need to obtain a dive medical prior to the in-water session. Failure to do so will result in forfeiting the course and rebooking at full cost.
- All fees are per person.
- The PADI Open Water Course requires you to pass a swim test of 200m and a 10min tread water. There is no time limit or stroke requirement for the swim.
