

# PADI RESCUE DIVER COURSE \$445

The PADI® Rescue Diver course will change the way you dive – in the best possible way. Learn to identify and fix minor issues before they become big problems, gain a lot of confidence and have serious fun along the way.

Discover why countless divers say Rescue Diver is their favorite scuba course.

## WHAT YOU NEED TO KNOW

Course structure, prerequisites, equipment requirements, continuing education, our dive club and dive travel.

# PREREQUISITES

## Minimum age: 12

Rescue Divers certified between the ages of 12-14 earn a Junior Rescue Diver certification. Any replacement certification card or eCard purchased after the diver's 15th birthday will automatically show a Rescue Diver (not Jr. Rescue Diver) certification.

Course prerequisites: any diver with an Open Water (or Jr. Open Water) Diver certification may enroll in a PADI Rescue Diver course, complete Rescue Diver eLearning and participate in Rescue Exercises in confined water.

To participate in Open Water Rescue Exercises and be certified as a PADI Rescue Diver, the student must complete the Underwater Navigation Adventure Dive and hold a PADI (Junior) Adventure Diver certification. A PADI (or other qualifying) **Advanced Open Water Diver certification also meets this prerequisite.**

Certification also requires **CPR (HLTAID009 within the past 12 months) and first aid training (HLTAID011/HLTAID010 within the past 36 months).**

If you don't have this training yet, you will have to enroll for a course with one of the training organisations in Hobart or Launceston before the Rescue Diver Course.

**DIVE MEDICALS**

# **DO I NEED ONE?**

You are required to complete a confidential medical questionnaire.

This questionnaire is sent out with your eLearning and is accessed via your digital forms online. If you have any issues accessing your digital forms, please let us know.

**You must complete these forms prior to the course.**

Any positive responses to the questions will require you to obtain a dive medical.

**If you are aged over 40 a dive medical is highly recommended.**

If you require a dive medical, please contact us for further paperwork and information.

# RESCUE DIVER COURSE

## PADI eLearning

Online learning makes it easy to fit scuba lessons into a busy schedule. Complete the knowledge development section of your course whenever, wherever it's convenient for you.

Work at your own pace, online or offline, using a computer or mobile device. Connect with your instructor for inwater training, or whenever you have a question.

- eLearning time commitment: 8-12 hours

# PRACTICAL SCENARIOS

There are two days of practical scenarios

## Saturday

- All-day pool session. Rescue scenarios are conducted in confined water.

## Sunday

- All-day open water session. Rescue scenarios are conducted locally in either Hobart or Launceston from the shore.

# EXPERIENCE THE JOY OF DIVE TRAVEL

Tasmanian Divers are in partnership with Dive Adventures and Allways Dive to organise overseas and domestic dive holidays for our customers.

## Why travel with us?

Our group travel allows us to negotiate discounted rates at resorts and on liveaboards for our loyal customers, with multiple trips organised each year.

We also have a tour leader on every trip that provides a point of contact with Dive Adventures and can address and logistical concerns on the trip as they may occur.

Go back in time and explore wrecks from WWII, immerse yourself in nature diving spectacular tropical reefs, and escape reality on one of our holidays!

Ask us about our upcoming trips!
